Greetings!

Why Excel? Having been young ladies ourselves once, we know what it’s like to have lots of questions—questions about our relationships, our wardrobes, our walks with the Lord, and our futures, to name a few. As young ladies, we wonder if we are beautiful the way we are or if we need to change who we are? We have questions about the career and education choices we’re facing, how to balance modest clothing with attractive styles, and how to develop our gifts and talents to serve the Lord.

When we look in the Bible, we discover that God called women to be noble (Look at Sarah!), submissive (Look at Ruth!), courageous (Look at Abigail!), strong (Look at Esther!), prayerful (Look at Anna!), and clothed in good works (Look at Lydia and Priscilla!).

Through the Excel program, we are passionate about pursuing Biblical womanhood. Through prioritizing spiritual growth and providing training in practical skills, we want to help young ladies grow in grace and reclaim true beauty.

We hope this packet gives you a flavor of what Excel will look like. More than anything, we want to invest in your life (or the life of your daughter). As you pray about joining us for the next Excel class, know that we are already praying for you, and we look forward to connecting with you soon!

HOSPITALITY

“And whosoever shall give to drink unto one of these little ones a cup of cold water . . . verily I say unto you, he shall in no wise lose his reward.” Matthew 10:14

What is hospitality? At a basic level, it involves sharing food, clothing, and shelter with those whom God brings into our lives. But what about the extra touches—fresh flowers, candles, music, decor, and all the things that would make for a memorable and delightful meal? And then there are big events, such as wedding banquets, neighborhood cookouts, church dinners, and more. Are you confident serving in these settings as well? Hospitality should be a part of everyday life, and we want you to be equipped to serve whenever God brings opportunities across your path.

As daughters of the King, we want our outward appearance to reflect the serenity, order, and loveliness we experience as we walk with the Lord. The kitchen is the center of the home—and it should be a place of nourishment, creativity, joy, laughter, and productivity. At Excel, we’ll learn what it takes to create meals that look appealing and taste delicious! We’ll bake some dainty treats and serve them at a tea party. We’ll roll up our sleeves and prepare a massive meal for the ALERT battalion. And of course, we’ll display what we learned for an elegant banquet at the end of the course.

As Christians, we are called to speak truth in our hearts, and into the lives of others. When a young lady learns to speak truth TO herself, she is planting her feet upon an unshakable foundation that will resist even the most powerful attacks of the enemy. She will see how God’s Word will transform each area of her life as the truth sets her free! From there, she is free to invest that truth into the hearts of those around her, reflecting a testimony of Christ-like boldness and grace.

In this class, listen to ladies who share about the JOY program and what it’s like to do ministry in state prisons. Meet inspiring women who have given their lives to making disciples in their communities. Hear the stories of courageous women who left their western homes to share the gospel with those who have never heard about Jesus.
